MEMORANDUM FOR THE RECORD

SUBJECT: Treasury Authorization Bill

1. I learned that the amendment to the Treasury Authorization Bill did get approved by the Senate Appropriations Committee. The bill contains an amendment which provides reimbursement to parent agencies for employees detailed more than 60 days. The house bill which has been passed by the house does not contain this provision.

2. [] is working with the oversight committees to see what they can do to have the amendment removed. The senate version will come to a floor vote soon and then on to conference. We still have a shot at the amendment.
